

Notes: Faith and Freedom | Whose are You?

September 10, 2020

There are a lot of misconceptions about our identity, especially once we identify with Christ as being his follower (Salvation)

*We have mistaken our responsibilities for our identity.
We must consider **whose** we are before we can correctly live in **who** we are.*

Galatians 4.1-7 NASB

1. We are Adopted-

We have the same rights as biological son.

We have a family.

The family of God is a great family.

The family of God is a place for encouragement, and prayer when we need help in life.

The family of God helps us grow in our faith.

The family of God is where we can turn to in time of sickness and discouragement.

The family of God provides a way to sustain missions so other people all over the world can be part of the family.

A family is a place to serve and a place to serve each other.

A family is a place to belong and our identity is God's family.

Attending is not necessarily belonging.

2. We are his children (v. 6) We cry "Abba Father"

"The Spirit you received does not make you slaves, so that you live in fear again; rather, the Spirit you received brought about your adoption to sonship. And by him we cry, "Abba, Father." The Spirit himself testifies with our spirit that we are God's children. Now if we are children, then we are heirs—heirs of God and co-heirs with Christ, if indeed we share in his sufferings in order that we may also share in his glory." (Romans 8:15–17, NIV)

3. We are not slaves.

We have freedom in Christ. Free in so many ways

Faith in Jesus sets up free.

4. We are heirs.

We inherit God Himself.

The family of God helps us grow in our faith.

The family of God is where we can turn to in time of sickness and discouragement.

9. Read the following verses out of Romans,

"The Spirit you received does not make you slaves, so that you live in fear again; rather, the Spirit you received brought about your adoption to sonship. And by him we cry, "Abba, Father." The Spirit himself testifies with our spirit that we are God's children. Now if we are children, then we are heirs—heirs of God and co-heirs with Christ, if indeed we share in his sufferings in order that we may also share in his glory." (Romans 8:15–17, NIV)

Read it again and pray about these things that we would walk in them.
